Who Can Attend?

This dynamic camp is for students aged 12-17. The number of participants is kept small (20-25) to allow for individualized attention and optimal use of equipment.

Other Activities

When not in classes, students have lots of fun participating in a variety of recreational activities. Planned activities include indoor and outdoor games, movies, visits to a nearby lake for picnics and campfires, swimming, biking, bowling, hayrides, social gatherings at the Terra Cotta Coffee House, a farewell party on the last night, and more. Living, dining and learning together, students have a great opportunity to get to know each other and develop lasting friendships.

Tuition, Room & Board

Students must arrive between 2:00 and 4:00 p.m. for registration on Sunday and will leave after lunch on Thursday. The camp fee of $850* (includes $100 deposit) covers tuition, supervision, program materials & equipment, recreational activities, room and board from dinner on the first day through lunch on the last day. Students stay in University residence halls (2 per room), and must provide their own pillows, blankets and bed/bath linens. Delicious, all-you-can-eat, cafeteria-style meals are served in the campus dining hall.

Alfred University is located in the safe, peaceful village of Alfred in western New York State, where summer days are warm and nights are cool and comfortable. Surrounded by rolling hills and beautiful meadows and valleys, Alfred University is the perfect place to spend an enjoyable week learning more about your favorite subject and meeting other students who share your interests!

The campus, a 6-hour drive from New York City, a 2-hour drive from Buffalo, and 1 1/4 hours from Rochester, is easily accessible by car or bus from all directions. The nearest major airport is the Rochester International Airport (about 65 mi. north). Transportation to/from that airport can be provided for an additional charge if we receive the request by the due date indicated in the acceptance letter. After that date, students must make their own arrangements with an airport limo service.

The Admissions Committee will evaluate all applications and determine which students will be accepted. Notification letters will be mailed within two weeks of the deadline. Students requiring an earlier decision should include a note with their application indicating the date by which they need to be notified. (If a student is not accepted the $100 deposit will be refunded.)

Accepted students will receive, along with the acceptance letter, additional materials including medical history form, permission form, emergency notification form, etc. These materials must be filled out as soon as possible and must be back in our hands by May 27. Updated immunization information (including dates) is also required at that time. If you do not have updated immunization information on hand, you may want to acquire this from your physician now to avoid processing delays.

STUDENT CANCELLATIONS: Refunds, less the $100 non-refundable deposit, will be made for cancellations received by June 3. A 50% refund will be made for cancellations received from June 4-24. Sorry, no refunds can be issued after June 24.
