

Alfred University

College of Business Graduate Program Open House

**Thursday October 8 and November 12
4:00 pm, Olin Building, room 306**

The College of Business is hosting an open house for individuals interested in learning more about the AACSB-International accredited Master of Business Administration (MBA) degree program. The MBA offers majors in business administration and accounting for individuals who wish to study full-time or part-time. At 4:00 p.m. the director will be available to provide an overview of the program, discuss admission requirements and the application procedure, and answer questions. Funding in the form of assistantships is available to full-time students and can provide up to one-half of the tuition. In addition, faculty and current students will share refreshments at 4:30 p.m. and welcome those interested in participating in class that evening beginning at 4:40 p.m. (optional). Olin Building, Room 306.

Alfred University

Inamori School of Engineering

Graduate Program Open House

Thursday, October 8
4:00 pm, Binns-Merrill Hall, room 106

The Inamori School of Engineering at Alfred University is hosting an open house for individuals interested in learning more about our graduate Engineering degree programs. Alfred University offers Master of Science degree programs in Biomedical Materials Engineering Science, Ceramic Engineering, Electrical Engineering, Glass Science, Materials Science and Engineering and Mechanical Engineering, and doctoral programs in Ceramics, Glass Science and Materials Science and Engineering.

Schedule of Events, Thursday, October 8, 2009 in Binns Merrill Hall 106
4:00 – 4:15 Dean's overview of engineering M.S. and Ph.D. programs
4:15 – 4:40 Refreshments with faculty and current graduate students
4:40 – 5:40 Tour of the engineering labs and facilities

The Dean's overview will cover program structure and requirements, admission criteria, and assistantship funding. The informal session with faculty and current graduate students provides students with the opportunity to questions about graduate coursework, expectations, and research prospects at Alfred. The Engineering facilities tour will be given by a current graduate student.
