

# The Alfred University Honors Program

---

## APPLICATION FOR ADMISSION

Alfred University Honors Program  
Dr. Gordon D. Atlas, Director  
Seidlin Hall  
Alfred, New York 14802  
(607) 871-2924  
E-mail: atlas@alfred.edu  
Fax: (607) 871-2831

Our seal:

"Siggy" is the walrus on the official Honors Program medallion. The sketch above was done by Robin Eddy '02, and is the basis for the medallion design.

Please don't feed the seal.

What did you think that was... a walrus? Tusk tusk...

We're the only honors program that has a seal and a motto

Our motto:

*Time flies like an arrow;  
Fruit flies like a banana.*

The Alfred University Honors Program is small and selective. We have more highly qualified applicants than we can accept, and all of them have excellent grades, scores and recommendations. It would help us, in making our selection, to know something more about you, something up close and personal. Please write a brief essay that will give us a sense of who you are, of what makes you tick. Are you an athlete or esthete, a punk or a preppie? Do you prefer poems, computer printouts, or the L.L. Bean Catalog? On cold, snowy mornings, what makes getting out of bed worthwhile for you? In short, tell us anything, anything, that will give us a sense of who you are.

*Early Notification:* To apply for early notification, your application essay should be postmarked on or before March 15. Early notification applicants will know if they've been accepted into the Honors Program by the 3rd week in April.

*Traditional Notification:* To apply for traditional notification, your application essay should be postmarked on or before June 1. Traditional notification applicants will know if they've been accepted into the Honors Program before June 30.

To complete this application, have one of your teachers write a letter of recommendation on your behalf; list his or her name below. The letter should be sent under separate cover to Dr. Atlas.
