

Handbook for Alfred University Parents

Answers to
Frequently
Asked
Questions...

...and *much* more!

Alfred University
Individuals. Inspired.

A Message from the Alfred University Parents Association President

Dear Parent:

Welcome to the Alfred University community!

This handbook has been created to provide you with handy information and to answer questions that are frequently asked by parents of new students.

In addition to the information presented in the question and answer section, features you might find helpful are the list of area hotels, motels and bed & breakfasts on page 2, the campus map on pages 4 & 5, the list of local restaurants on page 6 and the academic calendar on the back cover.

I hope you will also take a few moments to review the information about the Parents Association on page 9. Members of the Parents Advisory Board are listed on that page, along with their contact information. We are available to answer any questions and address any concerns you may have. For more information about the Parents Association, I urge you to visit our website at www.alfred.edu/parents/.

I look forward to greeting you on campus, or to speaking with you by phone or via e-mail. On behalf of the Parents Association I extend to you my very best wishes for a great first year!

Sincerely,

Katie Rommel-Esham
President, AU Parents Association
38 Second Street
Geneseo, NY 14454
585-245-5325

Frequently asked Questions

Here, followed by the appropriate answers, are questions often asked by parents and students about life at Alfred University. For further information and updates please visit the website listed after each answer.

Where is the Office of Parents Programs and what is its mission? The AU Office of Parents Programs, located on the 3rd floor of Carnegie Hall, was established more than 25 years ago to provide opportunities for parents of Alfred University students to communicate, participate, and establish a sense of community with one another and with the faculty, staff and administration of Alfred University. The current director is Melody McLay, who also serves as Director of Summer School and Summer Programs. We offer and support a variety of events, programs and services for parents including Parents Orientation, Fall and Spring Family Weekends, the Parents website, Handbook, Parents Association and the Parents Advisory Board.

How can we join the Parents Association? There's no need to join. As the parent of an Alfred University student, you are automatically a member of the AU Parents Association. There are no dues, and all parents are welcome to attend our annual meetings. Please see page 9 for further details or visit our website at www.alfred.edu/parents/.

Should we attend Parents Orientation? Parents who attend Parents Orientation have told us the program is very beneficial, so we encourage all parents of new students to consider attending. Parents Orientation is held in the afternoon of the first day of New Student Orientation in the fall. The program traditionally begins with a welcome from AU President Charles Edmondson, followed by greetings from the President of the Parents Association and presentations covering topics such as "Long Distance Parenting," and "Services Available for Students on Campus." The program ends with a Parents Association Reception and Student Services Fair during which parents can meet and speak with members of the Parents advisory Board and Student Affairs directors. Parents Orientation details are sent to all parents of new students in early August and will also be available on the AU Parents Website at that time.
www.alfred.edu/parents/

Are special programs and events for families offered during the academic year? A Family Weekend is held each semester and Siblings Weekend takes place each fall. Fall Family Weekend plans are made during the summer months. The Fall Family Weekend schedule is posted on the parents website by mid-August. Spring Family Weekend usually takes place in mid to late April. Details are available on the website by mid-March. Siblings Weekend information is provided to students at the beginning of the fall semester. Upcoming dates: Fall Family Weekend - Sept. 25-27, 2009; Siblings Weekend - Nov. 6-8, 2009; and Spring Family Weekend (featuring "Hot Dog Day") - April 23-25, 2010. www.alfred.edu/parents/

AU's various dining facilities provide a menu that caters to virtually every taste.

What do students do on Hot Dog Day? Other than eating hot dogs, they'll probably work at a booth or on a committee to help make this annual street fair a success! They may even play a game in the mud during our Annual Mud Olympics. All proceeds from this huge event go to support local charities. Alfred is not a "suitcase" University where there is an exodus every weekend. Special weekend events are scheduled throughout the year.
www.alfred.edu/students/involvement/events.cfm

Where can we stay when we visit the campus? When making hotel reservations it is always wise to plan ahead. Luxurious accommodations are available on campus at the **Saxon Inn**. For reservations call (607) 871-2600. *Space is limited so please make your reservations early.* The **Saxon Inn** is located on campus at 1 Park Street (saxoninn@alfred.edu). A list of area motels, hotels, and bed & breakfasts is included on page 2 and can also be found at www.alfred.edu/community/lodging.cfm.

What if my student gets sick? Crandall Health Center is located on campus and practices within the scope of college health during the academic year. Care is provided by nurse practitioners, physicians and registered nurses on site. All currently enrolled students are welcome to use the Health Center during operating hours. It is recommended that students call 607-871-2400 to facilitate an appointment prior to the visit. John A. DelCampo, D.D.S. (607-587-8838) provides dental services in Alfred. Area hospitals include: St. James Mercy in Hornell, 607-324-8000 and Jones Memorial in Wellsville, 585-593-1100. For more information about the Health Center please go to www.alfred.edu/students/student_services/health_center.cfm.

Continued on page 2

What about health insurance? Alfred University requires that all students be covered by a health insurance plan. Students are automatically billed each year for the University's insurance plan, offered through Academic HealthPlans and underwritten by Aetna, but anyone who is covered by private insurance may fill out an online waiver to have the charge removed from their bill. We strongly recommend that students verify that their current plan will cover their needs while they're in the Alfred area before waiving out of Alfred's insurance. Please note that the Crandall Health Center does not directly bill insurances, but will provide a summary of charges upon request, which can be submitted to insurance plans for reimbursement. **PLEASE REMEMBER:** If you do not want the University's health insurance, you must complete the online waiver by August 15 of each year. If the waiver is not received by that date, the charge will remain on the student bill. For more information, please contact the Student Affairs Office at 607-871-2132.

Where can students go if they need counseling? First-year students face many challenges and learning to manage stress is very important. If you are concerned about your son or daughter's well being, encourage them to contact the Counseling and Wellness Center. To find out more please visit www.alfred.edu/students/student_services/counseling.cfm.

How can I notify the school if I'm worried about my child? Regardless of the time of day, you always have the option of calling Public Safety at 607-871-2108. Once you explain your concern, they can contact the Counseling Center, the Dean of Students, or any other emergency response provider on campus. If Public Safety is off-duty (mostly early morning hours), the call will be transferred to our local 911. Those dispatchers also have AU's emergency response information.

What if there's a campus emergency? How are students and parents notified? AU communicates with students during emergencies through several methods: text messaging, mass email, broadcast voice mail, through residence life staff, etc., using the NY-Alert system. In the Fall, when students log into Banner, they will be prompted to provide contact information. Is it important for your son or daughter to provide a cell phone number so we can send them a text message in case of a campus-wide emergency or crisis. If you have any questions, please feel free to contact the ITS helpdesk at helpdesk@alfred.edu or 607-871-2222. The University will use parent email addresses, in addition to other forms of contact, to communicate vital information to parents in case of emergency. If you have not already done so, please provide us with your email address by sending a message to parent@alfred.edu.

Is the Alfred University Campus Safe? Visit the Public Safety website at www.my.alfred.edu/publicsafety for all information on campus safety plus personal safety and crime prevention tips, rules and policies, how to report incidents, parking on campus as well as the mission and operation of the Public Safety Office.

Can students get academic help? If your son or daughter is struggling academically please encourage them to speak with their faculty advisor, or another faculty member with whom they feel comfortable, about options for academic assistance. Incoming students participate in a series of workshops that focus on the transition and adjustment to college life. Topics included are: study skills, note taking, test taking and time management. Students with physical, learning and/or psychological disabilities should contact Special Academic Services, at 607-871-2153 to arrange for accommodations and support services. Individual peer tutoring sessions are also available. For tutoring information, contact Beth Niles at 607-871-2148. www.alfred.edu/academics/special_academics_programs.cfm

Fall Family Weekend is a wonderful time for parents and students to get together for fun and relaxation.

Who can I talk to about my son or daughter's academic struggles? A good first contact would be the Director of Retention, Jennifer Posener (607-871-2004, posener@alfred.edu). She can assist you by giving tips and hints to help you in working with your student, referring you to appropriate resources on campus for him or her, and answering questions. If a student is placed on Academic Probation, the Director of Retention will work together with other staff to motivate, counsel and develop an academic plan of success for the student. The Director of Retention is also responsible for reviewing and evaluating the Student Alert System.

What is the Student Alert System?

Through our Student Alert System, AU faculty/staff can submit concerns about particular students to a select committee whose members are then responsible for following up with the students. It is a system that can be accessed at any time during the academic year, allowing Alfred University staff to address concerns early and to continue to follow up with students who are at-risk.

Is information about student academic progress available to parents? The Family Educational Rights and Privacy Act of 1974 (FERPA) gives college students specific privacy rights with regard to their education records (please refer to www.alfred.edu/students/family-resources/). However, students may sign a waiver allowing parent/guardian access to information. If a waiver is on file and a parent inquires about student progress, a school official, after confirming the identity of the parent, may speak freely about grades and progress. The waivers are mailed to entering students during the summer. Grade reports are no longer routinely mailed, but are available to students who log into AU Student Self-Service on the Web. If a student provides his or her Self-Service Personal Identification Number (PIN) to parents, academic and student account information may be accessed by them at any time (refer to <https://banweb.alfred.edu>).

Where can I access faculty contact information?

If your son or daughter has questions or concerns about their schedule or classes, please encourage them to speak with their instructors or contact their faculty advisor directly to get answers or resolve problems. They can access faculty contact information at www.alfred.edu/facultyandstaff/faculty_profiles.cfm.

Where can I find a complete copy of the Alfred University Student Life Policies and Procedures?

The Student Life Policies and Procedures are accessible at my.alfred.edu/policies. Students also receive a summary booklet via email when they enter the University.

Are special diets available in the dining halls?

As special as your student's individual needs. Our Dining Services staff members are committed to providing healthy and satisfying menu choices. Vegetarian and vegan selections are available. Diets prescribed by medical doctors should be brought to the attention of the Director of Dining Services.

www.alfred.edu/students/living_at_au/dining.cfm

To whom should we address questions about student housing? If your student has questions about campus housing please encourage them to contact the Office of Residence Life at 607-871-2186 (residencelife@alfred.edu). Parents are welcome to contact them, as well.

Are washers and dryers available in the Residence Halls?

Alfred University contracts Mac-Gray Services, Inc., to provide laundry machines in every residence hall. Laundry fees are included in the cost of room and board. Questions about the laundry service should be directed to the Office of Residence Life at 607-871-2186. There is a dry cleaning service available through Alfred Pharmacy on Main Street.

Are there fraternities or sororities at AU? The AU Board of Trustees voted unanimously in May, 2002 to eliminate fraternities and sororities at Alfred University. As mandated by the trustees, rushing, pledging, perpetuating and initiating activities by fraternities and sororities are strictly prohibited and a serious violation of University policy. Anyone engaging in these activities on or off campus, either as a member, recruiter, or potential member, may be suspended or expelled. Parents are urged to encourage their students not to engage in activities which might be in violation of our social environment policy. (Please note that we *do* support the national service fraternity Alpha Phi Omega.)

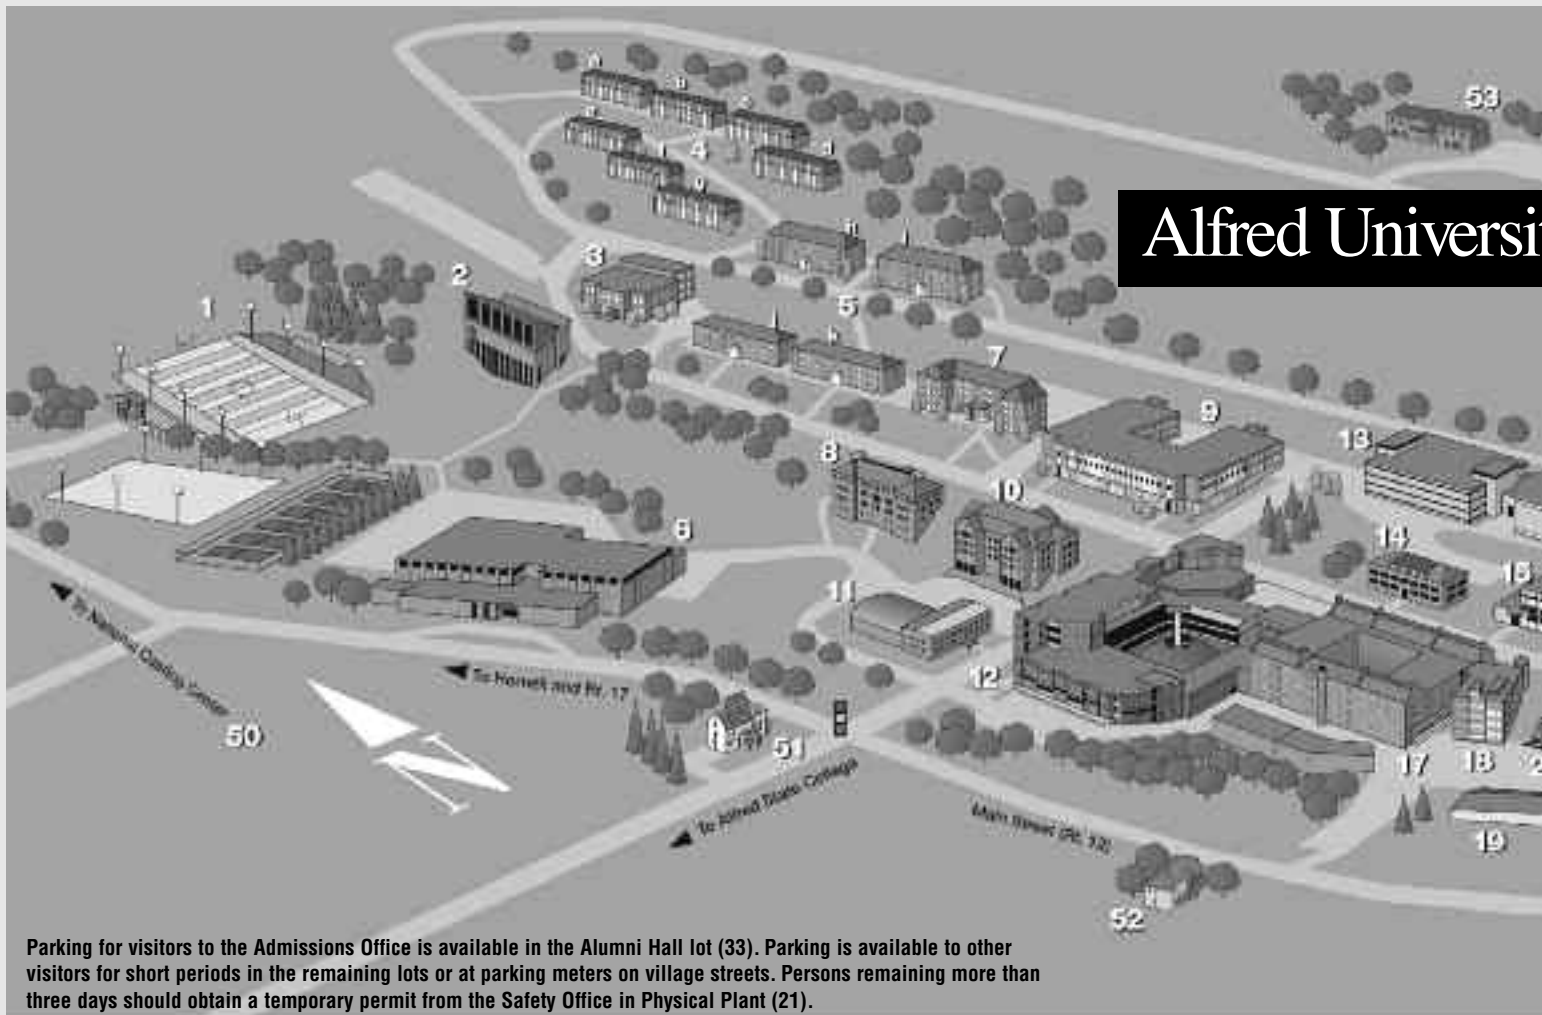

Hot Dog Day is an Alfred community tradition that has occurred every spring for the past three decades.

Can students charge books purchased at the bookstore to their student accounts? No, the bookstore is not connected to the student accounts in the Student Service Center, but they do set up prepaid accounts and credit card accounts with funds sent in ahead of time for the purpose of making bookstore purchases. They also accept Visa, Mastercard, Discover, American Express, and Barnes & Noble gift cards. *For your convenience, the bookstore offers a parent-student Barnes & Noble gift card (sent out in the orientation packets and available at the store in August.)* <http://alfred.bkstore.com/>

Where do students register vehicles they bring to campus? Students should go to www.thepermitstore.com and fill out the correct information. Their permits will be sent directly to them.

What's a Saxon Warrior?

University athletic teams are the Saxons. The Saxon Warrior is the mascot of these teams. <http://saxons.alfred.edu/>

Do you have many clubs and organizations on campus? There are more than 80 clubs and the list is still growing! They can be categorized into nine basic areas of interest: campus media, entertainment, environment/outdoor recreation, community service, religion/spirituality, Residence Hall Council (RHC), diversity/multi-culturalism, club sports and academic honor societies. Find out more about these clubs at www.alfred.edu/students/involvement/clubs_organizations.cfm

What do Gym Class Heroes, Bare Naked Ladies and Black Eyed Peas have in common?

They have all performed at Alfred University. The Student Activities Board (SAB) annually brings in one major concert or comedy show. The entertainment is always chosen and produced by the students. By getting involved in SAB students can work on a major show and maybe even get to meet the performers. www.alfred.edu/students/involvement/events.cfm

How do students find campus jobs?

Students can check the listing of available jobs in the Financial Aid Office. They can also access information about campus jobs at my.alfred.edu. www.alfred.edu/finaid/employment.cfm

How much money do students need to live on?

A major expense each semester is the purchase of books. Course requirements vary - texts cost anywhere from \$60 - \$120 or more each; paperbacks cost a little less. An average 16-hour semester might have a cost of \$500-\$600. The amount of money needed for incidentals (entertainment, munchies, etc.) will depend on personal needs and interests.

Where and what is the "Campus Center?"

The Arthur and Lea Powell Campus Center is quite literally the "center" for campus life and activities. The Center offers a bookstore, dining hall, snack bar and Cyber Cafe, meeting rooms, student offices, T.V. Lounge, T.V. station, radio station, movie theater, post office, game room and night club. There is always something going on in the Campus Center. If you have any questions, just stop by the Campus Center Information Desk.

Which way to the airport?

Though not a mecca of transportation services, you *can* "get there from here." The Short Line Bus stops in Alfred on a direct line East (N.Y.C.) and West (Olean). The University maintains school break bus service to Rochester and Buffalo airports. An airline charter service from Wellsville is available. Further airline and other travel information is available at the Alfred Travel Center, a local agency in Alfred (800-263-3167, www.alfredtravel.com). Many students find rides using the on-line bulletin board at my.alfred.edu. Before making flight reservations be sure to check the AU shuttle schedule at my.alfred.edu/index.cfm/fuseaction/info.getting_to_and_from.cfm www.alfred.edu/students/involvement/campus_center.cfm

ALFRED UNIVERSITY ALMA MATER

Nestled away 'mid the Empire State hills,
'Neath the watch-care of sentinel pines,
Where the murmuring song of the brook hums along,
And a favoring sun ever shines;
In a valley so fair where the forest trees share
Dominion o'er hillside and glen,
Stands the pioneer college of Western New York
Alfred, we hail thee again.

CHORUS

Hail to thee Alfred, thou guide of our youth,
Sweet, benign mother, all hail!
Sing out thy anthems of duty and truth;
May thy clear ringing music ne'er fail.

Remember to check AU's website for parents:
www.alfred.edu/parents/

The Parents Association

What is the Parents Association and how can I become a member?

The purpose of the Parents Association is to provide an organization through which parents can better understand the educational and social programs their students experience at Alfred University. It is also a support group, providing a network of parent volunteers who are available to speak with other parents, answer questions, give advice, and share experiences.

All parents are automatically members of the Parents Association and are welcome to attend the Parents Association meetings that are held during Fall Family Weekend. For more information visit our website: www.alfred.edu/parents/.

ALFRED UNIVERSITY PARENTS ASSOCIATION MISSION STATEMENT AND GOALS

Mission Statement

The A.U. Parents Association exists to promote and enhance opportunities for parents of Alfred University students to communicate, participate, and establish a sense of community with one another and with the faculty, staff and administration of Alfred University.

Goals

To insure open, person-to-person channels of communication between parents and the University so that:

- parents can find, or be directed to, reliable information about University policies and procedures, University and community happenings/issues, and other aspects of life or events in Alfred that may affect their students.
- parents have ample opportunity to express their views and concerns to members of the University administration

To give parents opportunities to meet, become acquainted, and discuss topics of mutual interest or concern both at Alfred and in their home areas.

To enable parents to participate in the life of the University by sharing the benefit of their expertise or their personal and professional associations with the University, its students, and one another. This sharing can take place through volunteer opportunities such as:

- becoming a member of the Parents Advisory Board
- serving as points of contact for other parents
- attending regional alumni-parents events
- identifying job placement or internship opportunities for A.U. students or graduates
- identifying and encouraging promising students to consider A.U.
