ATHLETICS GRADUATE ASSISTANT

We have several openings for Athletics graduate assistants. Reporting lines vary depending on sport or assignment; most GA's will report to a coach, athletic trainer or facilities manager.

Specific opportunities vary from year to year, but in general we recruit GA's for the following areas:

a. Coaching:

Men's and Women's Basketball

Men's and Women's Lacrosse

Men's and Women's Soccer

Men's and Women's Swimming and Diving

Football

Softball

Possible openings in other sports including tennis, cross-country, track and field, alpine skiing, and women's volleyball.

b. Facilities Management/Game Day Operations

c. Athletic Training

Details: All athletics graduate assistants are 20 hours/week. The student is enrolled as a part-time graduate student with a maximum of 18 credits per academic year. The GA cannot take more than 9 credit hours per semester. If the GA enrolls in >9 hours/semester, they are considered full-time students and cannot work as a GA for that semester. This applies primarily to education, counseling and school psychology students who may be doing their semester of student teaching or full-time internships.

Benefits: Full tuition and small stipend.

For more information and to find out which sports are seeking Graduate Assistants this year, please contact:
