Mission: Through academic and co-curricular offerings, enhance AU students’ personal growth, leadership skills, and community involvement to promote effective citizenship on campus and beyond.

GA will provide administrative leadership (in conjunction with the VPSA) of the division’s Leadership Certificate program, which follows the Social Change Model of Leadership. Specific tasks include:

- Arrange annual schedule of programs that fulfill certificate requirements, including recruiting presenters.
- Advertise the program each semester for the following semester’s “cohort.”
- Review applications and respond to all interested students
- Review progress toward certificate completion for each individual student enrolled in the program

- Seek grant funding as appropriate to sustain and grow the program

This GA position requires a person with a good deal of organizational skills, time management skills, initiative and ability to self-manage their workload. We may also have an undergraduate student working on the leadership certificate program; if so, that person will be supervised by the GA.

Benefits:
The division of student affairs will support attendance at one professional conference per year for our Leadership Certificate Program GA, to be decided in consultation with the VPSA. Weekly supervisory meetings will help ensure full collaboration within the division of student affairs. A small meal plan will be provided for use in the dining halls once or twice a week in conjunction with the leadership certificate program. The Leadership Program GA will become extremely familiar with the Social Change Model of Leadership.
