Alfred University
Summer Camper Rules & Regulations/
CODE OF CONDUCT

These rules & regulations have been developed to ensure that everyone has a safe, healthy and enjoyable time on campus. It is your responsibility to study these and be familiar with them before arriving on campus, and to abide by them while you are here. Please keep a copy of this for your records, sign, date & returns to us by June 1, 2016.

1. Campers are expected to be attentive in class/practice sessions, to be well behaved & cooperative at all times and to follow the instructions of the faculty, HCCs, CCs and other summer programs staff members. Campers who cause a disturbance or in any way interfere with instruction or any other aspect of the camp/institute experience may be removed from the program and sent home.

2. Once you have registered for a camp/institute, you may not leave the campus grounds for any reason, unless accompanied by a member of the A.U. Summer Programs staff. Since all activities are held on campus, Campers who drive themselves to Alfred must turn in their car keys to the staff upon arrival. Keys will be returned after check out on the last day.

3. Attendance at the activities of the camp/institute is mandatory and will be monitored. You will receive a detailed daily schedule when you arrive. You are responsible for getting yourself to the proper meeting places on time and must attend all classes and other program activities. Please do your best to wake up on time and be ready for breakfast each day. If you become ill and cannot attend a class or activity, you must notify a staff member or the Medical Staff.

4. Nametags must be worn so that they are clearly visible and readable, at all times.

5. Separate living areas are maintained for male and for female campers. Males and females are restricted to their own residence halls except during visiting hours (times to be announced at orientation on the first day of the program). Such visits are restricted to lounge areas, only.

6. The outside doors of your residence hall are kept locked at all times. Your room key will open the outside doors to your building. Lock your door when you are not in your room and keep your key with you at all times. The University is not responsible for lost or stolen property. If you lose your key you will be charged a $25.00 replacement fee. During “quiet hours” there will be no loud talking or music. Campers should be in their rooms with their lights off and doors closed.

7. All campers must abide by New York State laws. No obscene or lewd language or behavior is permitted. Smoking is not permitted in any University building and absolutely no alcohol or illegal drugs are allowed on University property. Violations of these policies will result in your parents being called, your dismissal from the institute and possible legal action.

8. Sturdy footwear must be worn at all times. Campers may not go barefoot.

9. Unannounced guests are not permitted. If a family member plans to visit he/she must notify the Director of Summer Programs ahead of time.

10. Any intentional damage to University property, including blankets, furniture, rooms, bathrooms, etc. will result in a damage fee to be paid at check-out.

11. Consideration and courtesy are of the utmost importance. Please show respect to your roommate, the other campers, staff, the faculty, coaches, and everyone involved in the program. All equipment and games are to be treated with great care. Some are personal property. After you are finished with them, everyone involved must help clean up & return everything to our staff.

12. No skateboards, roller skates or roller blades may be used on campus.

13. It is the University’s intention to assure all reasonable privacy in camper rooms. In the interest of the health and general welfare of all residents and buildings, however, the University reserves the right to enter a room for verification of occupancy; for performance of housekeeping or maintenance functions; for health and safety inspections; to protect life, limb, or property; or to assure compliance with state law and University regulations.
