## G. Annual Expenses

**G1. Undergraduate full-time tuition, required fees, room and board:**

List the typical tuition, required fees, and room and board for a full-time undergraduate student for the FULL 2010-2011 academic year (30 semester hours or 45 quarter hours for institutions that derive annual tuition by multiplying credit hour cost by number of credits). A full academic year refers to the period of time generally extending from September to June; usually equated to two semester, two trimester, three quarters, or the period covered by a four-one-four plan. Room and board is defined as double occupancy and 19 meals per week of the maximum meal plan. Required fees include only charges that all full-time students must pay that are *not* included in tuition (e.g. registration, health, or activity fees). Do *not* include optional fees (e.g. parking, laboratory use).

Note: Because of Alfred University's unique structure of being both private and public, our 2010-2011 tuition information is provided below in a different format than what the CDS publishes. Data provided covers both first-year and continuing students.

	College of Business / College of Liberal Arts & Sciences	School of Art & Design	School of Engineering: Ceramic, Bio- medical Materials, Glass Science, and Materials majors	School of Engineering: Electrical, Mechanical, and Undecided majors
Tuition - NYS residents	\$25,096	\$14,762	\$14,762	\$20,314
Tuition - Non-NYS residents	\$25,096	\$20,314	\$20,314	\$20,314
Required fees	\$880	\$880	\$880	\$880
Room and Board	\$11,364	\$11,364	\$11,364	\$11,364
Room only <sup>1</sup>	\$5,766	\$5,766	\$5,766	\$5,766
Board only <sup>2</sup>	\$5,598	\$5,598	\$5,598	\$5,598

<sup>1</sup> Standard double room

<sup>2</sup> 300 Block meal plan (300 meals, \$125 Dining Dollars)

G2. Number of credits per term a student can take for the stated full-time tuition:            12 min            18 max

G3. Do tuition and fees vary by year of study (e.g., sophomore, junior, senior)?            [ ] Yes            [x] No

G4. If tuition and fees vary by undergraduate instructional program, describe briefly: Tuition charges do vary by college of enrollment. Alfred University operates the New York State College of Ceramics on behalf of the State University of New York, so students enrolled in that college are on a different tuition structure based on residency.

## H. Financial Aid

### AID AWARDED TO ENROLLED UNDERGRADUATES

**H1.** Enter total dollar amounts awarded to enrolled full-time and less than full-time degree-seeking undergraduates (using the same cohort reported in CDS Question B1, “total degree-seeking undergraduates) in the following categories. (Note: If the data being reported are final figures for the 2010-2011 academic year (see the next item below), use the 2010-2011 academic year’s CDS Question B1 cohort.) Include aid awarded to international students (i.e. those not qualifying for federal aid). Aid that is non-need-based but that was used to meet need should be reported in the need-based aid column. (For a suggested order of precedence in assigning categories of aid to cover need, see the entry for “non-need-based scholarship or grant aid” on the last page of the definitions section.)

Indicate the academic year for which data are reported for items H1, H2, H2A, and H6 below:

2010-2011 final      or       2009-2010 final
