

ARTICULATION AGREEMENT IN BUSINESS ADMINISTRATION  
BETWEEN  
SUNY ERIE  
AND  
ALFRED UNIVERSITY

**PURPOSE OF AGREEMENT**

This document establishes a transfer articulation agreement between SUNY Erie and Alfred University. Its purpose is to afford students the opportunity to pre-plan their college careers, and to facilitate the transfer process from the SUNY Erie Associate in Science (A.S.) degree program in Business Administration to the Alfred University Bachelor of Science (B.S.) degree program in Business Administration.

**ADMISSION, STANDING, AND OPPORTUNITY TO GRADUATE**

This agreement guarantees admission with full junior standing into the Alfred University B.S. Business Administration degree program to students who graduate from SUNY Erie with the A.S. Business Administration degree. It also guarantees the opportunity to earn the bachelor's degree with four semesters at Alfred University.

**TRANSFER OF COURSES FROM SUNY ERIE COLLEGE**

Alfred University will accept up in transfer toward fulfillment of requirements for the B.S. Business Admission degree all 64 credits required for the SUNY Erie A.S. Business Administration degree. Alfred University will also accept toward fulfillment of requirements for the B.S. Business Administration degree up to 11 additional SUNY Erie credits, leaving as few as 45 credits at Alfred University. Alfred University will accept all liberal arts and sciences courses with a grade of "C" or higher as part or all of these 11 additional credits, and will evaluate for acceptance courses in business and other disciplines on a course-by-course basis. Alfred University requirements stipulate that students take a minimum of 45 credits, including the final 30 credits, in residence at Alfred University. Attachment A shows course-by-course equivalencies.
