(2012). Awarded the State Society on Aging's most prestigious Walter M. Beattie Award for outstanding contributions to the field of aging.

(2017). Awarded Professional of the Year by the Allegany Mental Health Association with the following explanation:

In the year 2000, the Allegheny County Mental Health Association established this award to recognize those professionals who exceed expectations for caring and dedication to those who suffer from mental illness. These men and women are chosen by mental health recipients and co-workers who believe in and have experienced their exceptional abilities to help and lead themselves unselfishly. For this they are often called "friend."

This tribute stands to recognize and honor those who chose this field with their hearts and understand the message of the Mental Health Bell that bears the inscription: "Cast from the shackles which bound them, this bell shall ring out hope for mental illness and victory over mental illness."
